

MODERNA 730 SERIES

The elegantly engineered Brio Moderna 730 Series has innovative features and advancements. The user-friendly 11.5" dispense height allows you to refill large bottles/glasses with ease, and a larger solenoid valve means the dispense rate is 2X faster. Plus, it also has an extra large drip tray, built-in night light, and convenient self-cleaning technology.

Fastest Dispense

2X Fast Dispense can fill a 28 oz. bottle in less than 15 seconds.

Digital Display

Bright digital display stays lit enabling easy cooler operation.
